Our unattended funeral includes provision of a hearse for conveyance to the local crematorium, accompanied by a qualified Funeral Director and necessary staff.

Witnessed Direct Cremation

£1,345.00

(plus disbursements)

This service allows a small number of mourners, up to a maximum of 8, to attend the crematorium and spend a maximum of 15 minutes in the service chapel to witness the committal. It offers an element of closure, allows for one piece of music to be played and offers small families a moment of quiet reflection. This is a family only service, with no celebrant, officiant or minister's attendance or participation allowed.
